- **Modern Technologies in the Primary Sector and Environmental Management**
English for Academic Purposes - Department of Agriculture Crop Production -School of Agriculture (2015-2017)
- **Integrated Management of Medicine and Aromatic Plants**
English for Academic Purposes - Department of Agriculture Crop Production-School of Agriculture (2017-2019)
- **Postgraduate course objectives:** discourse analysis through authentic material of the area of specialization, lexicon, academic skills development, academic writing.
- **PREGRADUATE**
- 2019 to date **UNIVERSITY OF THESSALY**, Gaiopolis Campus,
Larissa, Greece
- **Assistant Professor**
- **Department of Environmental Sciences** -English for Environmental Scientists - Implementation of the course program and syllabi. Development of teaching material close related to the specialism area. Administration of examinations, evaluation. English language lectures focus on **a wide range of certain Environmental issues of today**

- **Department of Energy Systems-** 'Writing Technical Text, ,
English for Specific Purposes in the specialism area of **Energy Engineering**
- **Department of Agriculture-Agrotechnology**
English for Specific Purposes I- Implementation of the course program and syllabus. Development of teaching material close related to the specialism area of the department.
Administration of examinations, evaluation. English language lectures focus on the specialism area of **Conventional and Sustainable Agriculture, Agricultural Engineering and Irrigation Systems**
- **English for Specific and Academic Purposes II.** -Implementation of the course program and syllabus Development of teaching material close related to the specialism area of the department.
Administration of examinations, evaluation. English language lectures focus on the specialism area of **Agriculture of the Future-Precision Agriculture, Automation and Agricultural Robots**
- 2019 -2020 **Department of Digital Systems** -English for Specific and Academic Purposes- English for Computer Science

TECHNOLOGICAL EDUCATIONAL INSTITUTE OF LARISSA

- **Teaching Experience**
- **Pregraduate courses**
- 2013 -2021 **Department of Biosystems Engineers** Design and implementation of a four level course program and syllabi. English for Science and Technology, English for Specific Purposes and English for Academic Purposes. Development of teaching material close related to the specialism area of the department. Administration of examinations, evaluation.
- 1993 - 2021 **Department of Mechanical Engineering-** English for Specific purposes related to Technical Engineering
- 2021 --- 2012 **Department of Electrical engineering-** English for Specific Purposes for technical engineers
- 2013 -2021 **Department of Agriculture Crop Production-** English for Specific Purposes. Design and implementation of the syllabus. Development of lecture notes close related to the area of specialization. Administration of examinations, evaluation.
- 2006 -2019 **ERASMUS + program-** Greek language for beginners to students of other languages
- 2006- 2009 **Erasmus + program** English for specific purposes to students of other languages from the departments of **Biosystems Engineering and Agriculture Crop Production**
- 1983 -2015 **Department of farm Machinery and Irrigation.** Design and implementation of a four level course program and Syllabi English for Science and Technology, English

for Specific Purposes and English for Academic Purposes.. Development of lecture notes of close relation to specialism area, administration of examinations, evaluation.

- 2001 -2013 **Preparatory Courses** of English language to undergraduate students of the Departments of Farm machinery and Irrigation, Mechanical engineers, Electrical Engineers ,Civil Infrastructure Works and Biosystems Engineers. Project of the School of Agriculture and the School of Technology- TEI
- 2005 -2013 **Department of Infrastructure Works** -three level course.Preparatory course, English for Specific Purposes, English for Academic Purposes in the area of specialization.
- 2013- 2019 **Department of Civil Engineering.** three level course- Preparatory course, English for Specific Purposes, English for Academic Purposes in the area of specialization.
- 1989 -1991 **Department of Business Administration** English for Specific Purposes
- 1989 -1991 **Department of Accountancy** -English for Specific Purposes
- March -1985 June 1986 **Seminar** English as a foreign language to Greek speaking teachers of various subjects of the Technological Educational Institute of Larissa
- 1983-1984 **Department of Forestry**-English for Specific Purposes
- 1983-1985 **Private sector** -' IRAKLION' Foreign Languages Private School Larissa

ADMINISTRATIVE POSITIONS

- 2016 -2019 **Coordinator** of the TESOL course to undergraduate

students of the Technological Educational Institute of Larissa. Responsibilities included: syllabus design and coordinating the implementation of a three faces course program, selection of material, and Administration of examinations.(ELKE 3831)

- 1991 -1998 **Coordinator** of the lecturers and adjunct lecturers of the English Language Teaching Sector. Department of Foreign Languages and Physical Education

MATERIAL DEVELOPMENT

- **Lecture Notes**
- **English for Environmental Scientists(2023)**
English for Specific and Academic Purposes- Teaching material close related to the specialism area of the department of Environmental Sciences. English language material focuses on a **wide range of certain Environmental issues of today**
- **English on Precision Agriculture (2020)**

English for Specific and Academic purposes-English language material focuses on the specialism area of **Agriculture of the Future- Precision Agriculture, Automation and Agricultural Robots, Drones, GPS Systems**

- **English on Sustainable Agriculture (2014)**

English for Specific and Academic purposes-. English language material focuses on the specialism area of **Conventional and Sustainable Agriculture, Agricultural Engineering , Greenhouses and Irrigation Systems**

- **English on Conventional agriculture (2012)**

English for Specific Purposes

- **English for Biosystems Engineers (2006)**-English for Specific and Academic Purposes

- **English on Farm Machinery(2003)**-English for Science and Technology

- **English on Agricultural Engineering (2004)**-English for Specific Purposes

- **English on Agricultural Engineering and Irrigation(2006)**-English for Specific and Academic Purposes

- **English on Mechanical Engineering (2001)**-English for Specific Purposes

Continual overview of English for Specific and Academic Purposes teaching material

TRANSLATION

- **European Credit Transfer System (ECTS)** Information Package for the School of Agriculture and the School of Technology (1996)

- **Technical English Basics** Burner Bush Europa Lehrmittel (2004)

Publication: ION-ELLIN Athens

- **Technical English -Civil Engineering and Construction**

Markner- Jagger (2008)

Publication ION-ELLIN Athens

RESEARCH INTERESTS

- Applied Linguistics (Cognitive)
- Teaching English as a Second Language- Higher Education
- Language Perceptibility
- Teaching Methodology
- Higher Education Curriculum Design
- Higher Education TESOL material development
- EFL language skills
- Academic skills development
- Academic Writing
- Environment and Environmental Education
- Intelligence Technology Skills
- Educational technology related to CALL (Computer Assisted Language Learning) and TELL (Technology Enhanced Language Learning)
